AN ACT ***to amend*** 350.10 (1) (gm) of the statutes; **relating to:** a speed limit for the operation of snowmobiles during the hours of darkness.

---

***Analysis by the Legislative Reference Bureau***

Current law imposes a speed limit of 55 miles per hour on the operation of snowmobiles during the hours of darkness. Current law defines "hours of darkness" as the period of time between one-half hour after sunset and one-half hour before sunrise and all other times when there is not enough natural light to clearly see a person or a vehicle that is 500 feet away. Current law sunsets this provision on July 1, 2007. This bill extends the sunset to July 1, 2010.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
