CHAPTER 8.

AN ACT authorizing the governor to appoint three persons to investigate the levee system in the vicinity of Portage, and to recommend plans for permanent protection of said city and vicinity, and making an appropriation.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. The governor is authorized to appoint three competent persons, who shall investigate the levee system on the Wisconsin river in the vicinity of the city of Portage and ascertain as near as possible the extent of the territory in the vicinity of Portage and along the Fox river that might be damaged or affected by floods from the Wisconsin river in the event of the said levees breaking or giving way. The committee shall inquire into the feasibility of organizing and creating out of the territory thus
