PETITIONS AND COMMUNICATIONS

State of Wisconsin
Judicial Commission

April 1, 1989

To the Honorable the Legislature:

Please accept the fifth annual report of the Wisconsin Judicial Commission, which is hereby submitted to you in accord with s. 757.97, Stats. The report covers calendar year 1988, the tenth anniversary of the Commission's existence.

As you know, proceedings before the Judicial Commission are required by statute to be confidential. Without violating that confidentiality, the annual report summarizes the work of the Commission over the past year. We have also for the first time appended a five-year summary of our work, a digest of the public judicial disciplinary cases in the Supreme Court since the first Commission was founded by the Court in 1972, and a succession chart of members of the statutory Commission during its ten year existence.

We hope the information in this report will assist the public in understanding the purpose and operation of the Commission and the nature of the matters that come before us. We trust it will also promote public confidence in the manner in which complaints about the conduct of judges are resolved.

Sincerely,
ELIZABETH G. KING
Chairperson

ELENA A. CAPPELLA
Executive Director

State of Wisconsin
Legislative Council

March 27, 1989

To the Honorable the Legislature:

This report is submitted to you pursuant to s. 227.15(5), Stats. Under that statute, the Legislative Council Staff is directed to submit an annual report "summarizing any action taken and making recommendations to streamline the rule-making process and eliminate obsolete, duplicative and conflicting rules."

This Report covers calendar year 1988.

We believe that the Report will be informative.

Sincerely,
BONNIE REESE
Executive Secretary

State of Wisconsin
Department of Industry,

March 31, 1989

To the Honorable the Legislature:

It is with great pleasure that I transmit to you copies of the first WisJOBS Annual Report to the Wisconsin

Legislature. WisJOBS was adopted by the Legislature in July, 1988, and the enclosed report will explain the progress we have made in the program to date.

Please distribute the enclosed copies as appropriate, and feel free to contact this office if you have any questions or need further information. Thank you for your assistance.

Sincerely,
JUNE M. SUHLING
Division Administrator

State of Wisconsin
Department of Health and Social Services

March 31, 1989

To the Honorable the Legislature:

1987 Wisconsin Act 339 provided the Department of Health and Social Services with funding to use to award grants to counties for the purpose of providing child care services for the children of persons who are receiving alcohol and other drug abuse treatment. Wisconsin Act 339 also requires the Department to evaluate the effectiveness of these grants in facilitating the provision of treatment to persons with alcohol and other drug abuse problems. An interim report is due April 1, 1989 and a final report is due January 1, 1990. The attached report meets the requirement regarding the interim report.

If you have any questions or if you would like additional copies of the interim report, please let me know or call Nina Troia at 266-9775.

Sincerely,
PATRICIA A. GOODRICH
