RULING OF THE CHAIR

On Thursday, March 16, the Senator from the 28th,
Senator Adelman, raised the point of order that Senate
Amendment 4 to **Senate Bill 27** was not germane.

The Chair ruled the point of order not well taken.

The Senator from the 11th, Senator Davis, with
unanimous consent, asked that the Chair's ruling be
spread upon the journal.

Senate Bill 27 as originally introduced provided for
an increased appropriation to support the hiring of
private attorneys for the public defender program.

Senate Amendment 4 to **Senate Bill 27** created new
language to establish a mandatory level of cases to be
handled by staff attorneys.

The amendment as it relates to the original bill would
have been clearly non-germane. In this instance, the
Senate had adopted Senate Amendments 1, 2, and 3 to
the bill. These amendments created new language within
the bill to affect the internal administrative functions of
the Office of the Public Defender as they relate to case
assignment. The proposal before the Senate now
includes the material inserted by Senate Amendments 1,
2, and 3. In order to be germane an amendment must be
relevant to and have a direct bearing on the proposal it
seeks to change. Senate Amendment 4 is relevant to and
has a direct bearing on the proposal as amended.

Therefore, it is the opinion of the Chair that Senate
Amendment 4 is germane to **Senate Bill 27** as amended
and the point of order is not well taken.

FRED A. RISSER
President
