Our audit included tests to ensure that the Medical College has complied with statutory requirements set forth in ss. 39.15 and 39.155, Wis. Stats. We reviewed the residency and enrollment status of students claimed for tuition aids to determine whether they were certified Wisconsin residents, full-time students, and had not claimed aid payments for more than four years. We also reviewed whether the Medical College gave first preference in admissions to Wisconsin residents and whether minority student access was promoted. We concluded the Medical college was in compliance with these statutory requirements.

We wish to acknowledge the courtesy and cooperation extended to us during this audit by the Medical College of Wisconsin administrators and the staff, as well as the staff of the Higher Educational Aids Board.

Sincerely,  
DALE CATTANACH
