State of Wisconsin
Department of Administration
March 19, 1990

To the Honorable the Legislature:

I am submitting the Department of Administration (DOA) recommendations on the Clean Water Fund program as required by Section 3001(1n), Act 31, Laws of 1989. Please distribute these recommendations to the Legislature under s. 13.172(2), Stats. Statutory language to implement these recommendations is also attached.

The biennial budget bill asked the Department of Administration to develop a proposal with recommendations on the Clean Water Fund program size, funding level, interest rate subsidies, transition period loan interest rate, and use of revenue bonds to leverage other program dollars. The DOA proposal addresses these important Clean Water Fund policy issues.

I would appreciate your consideration of the Department of Administration recommendations. It is also particularly important to resolve these policy issues now because many Wisconsin municipalities are planning or preparing to construct wastewater treatment projects this spring.

Sincerely,
JAMES R. KLAUSER
Secretary
