To the Honorable, the Assembly:

I am pleased to submit to the Governor and to the Legislature the 1989 "Summary Guide To Wisconsin Hospitals", which summarized the hospital utilization and fiscal information contained in the 677 page "Detailed Guide to Wisconsin Hospitals" released in October.

The inclusion of hospital revenue and expense information in the detailed and summary guides fulfill the statutory requirement contained in s. 153.35(2), Wis. Stats., to provide "*comparisons, among hospitals, of increases or decreases in gross revenue, net revenues and expenditures*".

OHCI wishes to express its sincere appreciation to all Wisconsin hospitals that were part of the reporting process. In addition, I would like to personally thank members of the Hospital Data Systems Unit (Center for Health Statistics, Division of Health) and my staff in developing this report.

Printed copies of this publication are available from the Office. Please contact our office should you or your staff have any questions.

Dear Chief Clerk Melvin:

Under the recycling law, 1989 Wisconsin Act 335, s. 85 (2p), the Department is directed to submit a plan and

proposed legislation regarding supplemental grants for transportation costs experienced by recycling programs.

We have prepared a draft plan, which we recently discussed with an informal group of legislators, staff, and other interested parties. We will take into consideration their comments as we prepare our final report. We will also bring the draft plan before the Council on Recycling at its meeting February 5, 1991. We expect a fruitful discussion with the members of the Council.

We will submit our final plan to the Legislature after we have made appropriate changes to the current draft. We expect to have the plan and proposed legislation to you by March 15, 1991. I hope this timetable meets with your expectations.

If you have any questions about our report, please contact Sarah Dunning in our Bureau of Solid and Hazardous Waste at (608) 267-7595.
