State of Wisconsin  
Department of Health and Social Services  
Madison

October 2, 1991

To the Honorable, the Assembly:

1983 Wisconsin Act 27, created s.46.277(5m) of the statutes which required the Department of Health and Social Services to submit an annual report on its federal Medicaid Home and Community-Based Services waiver, the Community Integration Program II (CIP II). The attached reports cover calendar years 1989 and 1990 for the CIP II and COP-W (Community Options Program Waiver).

These waivers are designed to relocate or divert elderly and physically disabled persons from nursing homes and finance their care with Medicaid. The level of Medicaid waiver funding must be no greater than the Medicaid cost for nursing home care. The annual report examines both cost and quality of care in the waiver programs.

Sincerely,  
GERALD WHITBURN  
Secretary
