July 20, 1992

To the Honorable, the Assembly:

1987 Act 413 [s.46.03(38)] requires the Department of Health and Social Services to provide a report to the Legislature by July 1, 1993 on its Work Experience and Job Training (WEJT) and Community Work Experience Program (CWEP) study. The attached report is being submitted to fulfill that requirement.

The report summarizes the history of the WEJT/CWEP programs and their replacement by the Federal Job Opportunities and Basic Skills Training (JOBS) program in 1989. In addition, it summarizes the findings of past and current studies of Wisconsin's WEJT/CWEP program. Finally, it indicates the Department's intent to refocus its evaluation efforts from the WEJT/CWEP programs to the new JOBS program, resulting in a savings of state and federal funds.

Also attached is a copy of a letter from the federal Department of Health and Human Services questioning the utility and use of funds to further evaluate the WEJT/CWEP programs. This is consistent with the Department's plans to refocus its evaluation efforts from the WEJT/CWEP programs to the JOBS programs.

Sincerely,  
RICHARD W. LORANG  
Deputy Secretary
