COMMITTEE REPORTS

PETITIONS AND COMMUNICATIONS

State of Wisconsin
Department of Administration

January 22, 1992

To the Honorable the Legislature:

This report is transmitted as required by ss. 20.002(11)(f) of the Wisconsin Statutes, (for distribution to the appropriate standing committees under section 13.172(3), Stats.), and confirms that the Department of Administration has found it necessary to exercise the "temporary reallocation of balances" authority provided by this section in order to meet payment responsibilities and cover resulting negative balances during the month of December, 1991.

On December 5, 1991, the Agrichemical Management Fund (Fund 59) balance was \$-44 thousand. This shortfall continued through the end of December when the balance was \$-160 thousand. The shortfall is due to the timing of revenues to the fund.

The Agrichemical Management Fund shortfall was not in excess of the \$400 million ceiling and did not exceed the balances of the funds available for interfund borrowing.

The distribution of interest earnings to investment pool participants is based on the average daily balance in the pool and each fund's share. Therefore, the monthly calculation by State Finance will automatically reflect the use of these temporary reallocations of balance authority.

Sincerely,
James R. Klauser
Secretary

Referred to the joint committee on Finance.
