Section 20.923(5), Wis. Stats., requires that the Board of Regents assign specified titled positions to salary ranges in whatever manner the board determines. The board is required to file a report annually with the Governor and Legislature.

Part A of the attached report designates those positions assigned to State Executive Salary Groups and Part B provides the minimum and maximum for those positions assigned to a UWS Salary Range. The report is dated February 1, 1992 and serves to fulfill this calendar year's reporting requirement.

To the Honorable the Legislature:

The attached report meets the mandates in s. 140.84, Wis. Stats., to provide a yearly report on the implementation of the Joint Youth Alcohol/Drug Abuse Plan 1989-1991. Please note that this report covers the period from July 1, 1989, to June 30, 1991. The plan calls for most activities to be completed over a minimum of two (2) years.

The Department of Public Instruction and the Department of Health and Social Services have worked cooperatively to totally or partially complete the established goals and objectives. Your suggestions or comments regarding this report are welcome.

Sincerely,

February 21, 1992

To the Honorable the Legislature:

Pursuant to Chapter 109 of Wisconsin Statutes, I am providing you with the annual report on business closings and/or mass layoffs. The Statute requires that this report is due no later than March 1 annually and that it include the number, type and disposition of all determinations made by the Department under ss. 109.07(5)(N)(6)(b).

The Department in 1991 received 20 complaints. 9 complaints were dismissed for lack of jurisdiction; 4 complaints were dismissed as no violation under the law; 7 complaints from 1991 are still pending as of the date of this report; and one complaint from 1990, affecting the Burger Boat Company in Manitowoc, is still pending. A determination was made in one case that carried over from 1990 that there were less than 50 employees employed by the employer, and, therefore, the complaint was not covered under the Plant Closing law. There have been 2 complaints filed in 1992, both of which are still pending with the Department.

Should you have any questions regarding the information in this report, please contact me immediately.

Sincerely,
Carol Skornicka
Secretary
