PETITIONS AND COMMUNICATIONS

State of Wisconsin
Department of Administration and
November 20, 1991

To the Honorable the Legislature:

This report is transmitted as required by 20.002(11)(f) of the Wisconsin Statutes, (for distribution to the appropriate standing committees under section 13.172(3) stats.), and confirms that the Department of Administration had found it necessary to exercise "temporary reallocation of balances" authority provided by this section in order to meet payment responsibilities and cover resulting negative balances during the month of April, 1992.

On April 1, 1992, the Recycling Fund (Fund 79) balances was \$-2.4 million. This shortfall continued until April 24, 1992 when the balance reached \$ 7.9 million. The shortfall was due to the timing of revenues to the fund.

The Recycling Fund shortfall was not in excess of the \$400 million ceiling and did not exceed the balances of the funds available for interfund borrowing.

The distribution of interest earnings to investment pool participants is based on the average daily balance in the pool and each fund's share. Therefore, the quarterly calculations by State Finance will automatically reflect the use of these temporary reallocations of balance authority.

Sincerely,
James R. Klauser
Secretary

Referred to committee on Housing, Government Operations and Cultural Affairs.
