

Ninetieth Regular Session

WEDNESDAY, June 10, 1992

The chief clerk makes the following entries under the above date.

PETITIONS AND COMMUNICATIONS

State of Wisconsin
Department of Employment Relations
May 1992

To the Honorable the Legislature:

It is with great pleasure that I present the thirteenth Affirmative Action Report for Wisconsin State Government. Its purpose is to provide an overview of the state's work force and show the progress made in the past year.

There has been a steady increase in the number and percentage of racial/ethnic minorities, women, and persons with disabilities in the permanent classified work force, but we will not rest on past successes as there is still work to do towards achieving a work force which is representative of the citizens of the state.

This agency will continue to review the status of affirmative action in the State of Wisconsin and to assist other agencies in the development of programs to accomplish their EEO/AA goals. As we move toward a new century, we must work toward a time when equal employment opportunity becomes not just a goal, but a reality.

Sincerely,
Jon E. Litscher
Secretary
