Dear Tom:

Enclosed is a copy of the 1992 Annual Report on the Legislative Council Rules Clearinghouse, submitted to the Legislature pursuant to s. 227.15 (5), Stats. Copies have been distributed to the offices of each member of the Legislature.

The Report covers the 12th full calendar year of operation of the Rules Clearinghouse. I trust that it will be found to be informative.

DAVID J. STUTE

State of Wisconsin
Department of Administration
Madison

March 15, 1993

To the Honorable the Legislature:

This report is transmitted as required by sec. 20.002(11)(f) of the Wisconsin Statutes, (for distribution

to the appropriate standing committees under sec. 13.172(3) Stats.), and confirms that the Department of Administration has found it necessary to exercise the "temporary reallocation of balances" authority provided by this section in order to meet payment responsibilities and cover resulting negative balances during the month of February, 1993.

On February 1, 1993 the Elderly Property Tax Deferral Fund balance was \$-68 thousand. This shortfall continued until February 26th when the balance was \$0. The shortfall was due to an excessive General Fund transfer, which was corrected.

The Elderly Property Tax Deferral Fund shortfall was not in excess of the \$400 million ceiling and did not exceed the balances of the Funds available for interfund borrowing.

The distribution of interest earnings to investment pool participants is based on the average daily balance in the pool and each fund's share. Therefore, the monthly calculation by State Finance will automatically reflect the use of these temporary reallocations of balance authority.

Sincerely,
P. NICHOLAS HURTGEN
Deputy Secretary, DOA

To the Honorable the Assembly:

We have completed financial audits of the Mendota and Winnebago Mental Health Institutes for fiscal year 1991-92. We were able to provide unqualified opinions on the institutes' financial statements. We also provide a management letter to the Department of Health and Social Services detailing recommended improvements in accounting procedures. Our management letter also discusses the cash deficit in the program revenue appropriation which funds activities at the institutes and centers for the developmentally disabled.

Detailed copies of the audit reports have been distributed to members of the Joint Audit Committee and those required by law to receive detailed copies. If you are interested in receiving a copy of the audit reports or management letter, please contact our office and request a copy of reports 93-8 and 93-9 or the management letter prepared for the institutes.

Room 402, One East Main Street

Dear Mr. Melvin:

Attached to this letter is the second version of the Clean Water Fund Biennial Finance Plan for FY 1993-1995.

This plan was prepared jointly by the Department of Natural Resources and the Department of Administration Capital Finance Office. Its purpose is to support the administration of the Clean Water Fund which provides financial assistance to municipalities that are required to construct new wastewater treatment facilities to protect the surface water and groundwater of Wisconsin.

The first version of the plan, which was submitted to your office on August 17, 1992 reflected the Department of Natural Resources biennial budget proposal to the Governor. This second version is updated to reflect the Governor's proposed biennial budget. A third version of the plan will be submitted this year reflecting the adopted biennial budget.

The preparation, submission, and review of the Biennial Finance plan by the Joint Committee on Finance, environmental legislative standing committees and Building Commission is required under s. 144.2415(3), Stats. The statute allows the Joint Committee on Finance and each standing committee to submit to the Building Commission its recommendations and comments regarding each version of the Biennial Finance Plan.

If you have any questions regarding the Biennial Finance Plan, please contact Paulette Harder at 266-0836 or Frank Hoadley at 266-2305.

Sincerely,
PAULETTE HARDER, Director
