To the Honorable the Legislature:

Pursuant to the requirements in Wis. Statutes 16.339(4) you will find enclosed a report to the legislature describing the use of Transitional Housing funds awarded under Wis. Statutes 16.339. The report should evaluate the effectiveness of the transitional housing program and include a recommendation on the continuation of funding to the program.

In addition to the Transitional Housing program we have also included reporting on the use of funds for the Transitional Housing Operating Match Grant under Wis. Statute 16.354, the State Shelter Subsidy Grant under S 16.352 and the HUD Emergency Shelter Grant and HUD Permanent Housing for Handicapped Homeless under S. 16.35. Although a report to the legislature is not required for these programs, we felt it was important for the members of the legislature to see how all facets of the homeless programs administered by the Division of Housing work together to provide effective coordination of both state and federal funds.

In the Transitional Housing program, quarterly reports are required from all grantees. Three quarterly reports have been received from the two agencies in Milwaukee that received funds in June 1992, and one quarterly report has been received from the agencies funded in February 1993. These initial reports have indicated that agencies are achieving the goal of assisting individuals and families in establishing more independent lives.

For FY 92 and FY 93, Transitional Housing funds were used to fund those programs which would provide support and case management services to individuals and families who had successfully completed a transitional housing program. The Transitional Housing funds which will be available for FY 1994 and 1995 may be used to expand the capacity of current providers as well as to encourage the development of additional transitional housing programs in areas of the state which are currently underserved.

Any questions regarding the Transitional Housing grant or other Homeless grant programs may be addressed to Lee Martinson, Administrator, Division of Housing, 608-267-4889. Thank you.

Respectfully submitted,
JAMES R. KLAUSER
Secretary, DOA
