State of Wisconsin  
Department of Administration  
Madison

January 27, 1994

To the Honorable the Legislature:

This report is transmitted as required by sec. 20.002(11)(f) of the Wisconsin Statutes, (for distribution to the appropriate standing committees under sec. 13.172(3) Stats.), and confirms that the Department of Administration has found it necessary to exercise the "temporary reallocation of balances" authority provided by this section in order to meet payment responsibilities and cover resulting negative balances during the month of December, 1993.

On December 20, 1993 the Cemetery Construction Fund balance was negative one thousand dollars (-\$1,000). This shortfall continued through the end of December. The shortfall is due to the timing of revenues to the fund.

The Cemetery Construction Fund shortfall was not in excess of the \$400 million ceiling and did not exceed the balances of the Funds available for interfund borrowing.

The distribution of interest earnings to investment pool participants is based on the average daily balance in the pool and each fund's share. Therefore, the monthly calculation by State Finance will automatically reflect the use of these temporary reallocations of balance authority.

Sincerely,  
JAMES R. KLAUSER  
Secretary, DOA

State of Wisconsin

The Board is preparing the bill(s) on the recommended award(s) over \$2,000, if any, and will submit such to the Joint Finance Committee for legislative introduction.

This report is for the information of the Legislature. The Board would appreciate your acceptance and spreading of it upon the Journal to inform the members of the Legislature.
