EXECUTIVE COMMUNICATIONS

State of Wisconsin
Office of the Governor

May 9, 1994

To the Honorable, the Senate:

Section 119.80(2) of the statutes, as amended by 1993 Act 16, requires the submission of the attached joint expenditure proposal to the appropriate standing committees and the co-chairs of the Joint Committee on Finance. This proposal is for the expenditure of funds in the appropriation under s. 20.255(2)(ec) during the 1994-95 school year.

This report was initially submitted on December 17, 1993 to you and the co-chairs of the Joint Committee on Finance. However, it was not received by the appropriate standing committees. The Joint Committee on Finance acted on the report at its April 14 meeting under s. 13.10. At that time, the committee adopted a motion to approve the report, contingent upon receiving no objections from the standing committees. We are resubmitting the report to you for distribution to the appropriate standing committees of the Legislature under s. 13.172(3). Statutes also require that standing

committees to submit comments, if any, to the co-chairs of the Joint Committee on Finance within 30 days of receiving the report. If necessary, the Joint Committee on Finance will reconsider the report at its June meeting under s. 13.10.

The appropriation under s. 20.255(2)(ec), Aid to Milwaukee Public Schools, was established in 1993 Act 16 at \$8 million for fiscal year 1994-95. The funds are to be used to correct the academic deficiencies of educationally and economically disadvantaged pupils and to achieve a more effective and responsive educational program in the Milwaukee public school district.

Approval of this plan by the Joint Committee on finance is required prior to the distribution of any funds in this appropriation under s. 20.255(2)(ec) by the Department of Public Instruction. Approval will not affect the amount or distribution of any other school aid appropriation.

The spending plan we are submitting is identical to the plan approved for the 1993-94 school year under s. 19.80(1). The appropriation under s. 20.255(2)(ec) was also \$8 million in 1993-94.

In its original proposal for the 1994-95 school year, the Milwaukee public school district requested an increase of \$620,000 (7.75%) in 1994-95 to reflect salary increases since 1992-93. We recommend that funding be maintained at the 1993-94 level. There have been no changes in the conditions affecting this appropriation since the Legislature approved the \$8 million funding level in 1993 Act 16. However, this program will be reviewed during the 1995-97 budget deliberations.

Sincerely,
TOMMY G. THOMPSON John T. Benson
Governor State Superintendent
