## **PETITIONS AND COMMUNICATIONS**

### **State of Wisconsin Legislative Audit Bureau**

January 27, 1995

The Honorable, The Senate:

We have completed a financial audit of the State Life Insurance Fund, which provides low-cost individual life insurance to Wisconsin residents and is administered by the Office of the Commissioner of Insurance. The Fund is subject to the same regulatory requirements as any life insurance company licensed to operate in Wisconsin, as well as to other specific statutory restrictions, such as a prohibition on advertising and maximum coverage of \$10,000, that were established to limit the competitive advantage the Fund may have over private insurance companies.

Our financial audit, which covered calendar years 1993 and 1992, included tests to ensure that the Office's financial statements are fairly presented and to assess the Fund's control policies and procedures and its compliance with statutory requirements. In our report, we provide an unqualified, or "clean" opinion on the Fund's financial statements. We also issue a separate management letter to the Office of the Commissioner of Insurance, which discusses various internal control and compliance concerns noted during the audit and recommends improvements. However, the audit report and management letter include no major findings, conclusions, or recommendations and, in our judgement, is not likely to be of interest to most members of the Legislature.

Copies of the audit report have been distributed to members of the Joint Legislative Audit Committee and those required by law to receive copies. If you are interested in receiving a copy of this report, please contact our office and request report number 95-2. If you are interested in a copy of the management letter, please request the January 1995 management letter of the State Life Insurance Fund.

Sincerely,

DALE CATTANACH  
State Auditor
