PETITIONS AND COMMUNICATIONS

State of Wisconsin Department of Administration

May 17, 1995

The Honorable, The Legislature:

This report is transmitted as required by sec. 20.002 (11)(f) of the Wisconsin Statutes, (for distribution to the appropriate standing committees under sec. 13.172(3) Stats.), and confirms that the Department of Administration has found it necessary to exercise the “temporary reallocation of balances” authority provided by this section in order to meet payment responsibilities and cover resulting negative balances during the month of April, 1995.

On April 3, 1995 the **Wisconsin Health Education Fund** balance was –\$3 thousand. This shortfall continued until April 8, 1995. The shortfall was due to the timing of revenues to the fund.

On April 25, 1995 the **Health Insurance Risk Fund** balance was –\$1 thousand. This shortfall continued through April 30, 1995. The shortfall was due to the timing of revenues to the fund.

On April 4, 1995 the **University Trust Income Fund** balance was –\$12 thousand. The shortfall continued through April 30, 1995. The shortfall was due to a delayed transfer to the fund.

The Wisconsin Health Education Fund, Health Insurance Risk Fund, and University Trust Income Fund shortfalls were not in excess of the \$400 million ceiling and did not exceed the balances of the Funds available for interfund borrowing.

The distribution of interest earnings to investment pool participants is based on the average daily balance in the pool and each fund’s share. Therefore, the monthly calculation by State Finance will automatically reflect the use of these temporary reallocations of balance authority.

Sincerely,

JAMES R. KLAUSER
Secretary

Referred to **Joint Committee on Finance**.
