PETITIONS AND COMMUNICATIONS

State of Wisconsin
Office of the Secretary of State

To the Honorable, the Senate:

<u>Bill, Joint Reso- lution or Resolu- tion Number</u>	<u>Act Number or En- rolled Number</u>	<u>Publicaton Date</u>
Senate Bill 252	Wisconsin Act 152	March 19, 1996

Sincerely,
DOUGLAS LA FOLLETTE
Secretary of State

**State of Wisconsin
Legislative Audit Bureau**

March 11, 1996

The Honorable, The Legislature:

We have completed our evaluation of the State Group Health Insurance program, as requested by the Joint Legislative Audit Committee. In 1995 \$75,487 active and retired state employes participated in the program at a total cost of more than \$310 million.

Since 1984, the State's contribution to employe health insurance premiums has been based on the lower of 90 percent of the Standard Plan, which is the State's self-insured indemnity plan, or 105 percent of the lowest-cost alternative plan. The policy was designed to encourage health care providers to compete for enrollees through a competitive bidding process, resulting in cost savings for the State. By 1995, as a result of financial incentives, almost 90 percent of state employes were enrolled in one of the alternative plans offered by 24 participating health maintenance organizations and one preferred provider plan.

Although the program's costs increased 255.7 percent between 1983 and 1994, it is likely costs increased at a slower rate than would have otherwise been expected had the change in the contribution formula not been made. Cumulative cost savings to the State are, however, difficult to quantify, given changes in benefit levels and in the number and type of services provided. Other effects of the State's focus on cost control are more evident.

Because the State's current policy sets premium levels on a county-by-county basis, employe contributions towards insurance premiums for the same coverage offered by the same plan can vary dramatically. In 1995, employe contributions for family coverage under Standard Plan varied from \$62.16 per month to \$224.93 per month, or almost \$2,000 annually. In addition, because premiums are set on an annual basis, premiums within a county can vary widely from year to year, particularly if there is a change in the lowest-priced plan. In 1995, employes in Milwaukee, Outagamie, Waukesha, and Winnebago counties experienced increases in their contribution toward health insurance premiums of up to 382 percent compared to the previous year if they did not switch to the lowest-cost plan available.

Options are available to the Legislature for modifying the program to address these concerns. However, most options available to address perceived program inequities will likely affect the ability of the State to control costs. Therefore, the merits of any possible modification must be weighed against the potential effect on the State's cost-control efforts.

We appreciate the courtesy and cooperation extended to us by the Department of Employee Trust Funds and members of the Group Insurance Board. A response from the Department is Appendix II.

Respectfully submitted,

Sincerely,
DALE CATTANACH
State Auditor

State of Wisconsin
Department of Administration

February 29, 1996

The Honorable, The Legislature:

This report is transmitted as required by sec. 20.002(11)(f) of the Wisconsin Statutes, (for distribution to the appropriate standing committees under sec. 13.172(3) Stats.) and confirms that the Department of Administration has found it necessary to exercise the "temporary reallocation of balances" authority

provided by this section in order to meet payment responsibilities and cover resulting negative balances during the month of January, 1996.

On January 1, 1996 the **Wisconsin Health Education Loan Repayment Fund** balance was -\$22 thousand. This shortfall continued until January 22, 1996 when the balance reached +\$214 thousand. The shortfall was due to the timing of revenues.

On January 17, 1996 the **University Trust-Principle Fund** balance was -\$14.2 million. This shortfall continued until January 22, 1996 when the balance reached +\$14.2 million. This shortfall was due to a delayed transfer.

The Wisconsin Health Education Loan Repayment Fund and University Trust-Principle Fund shortfalls were not in excess of the \$400 million ceiling and did not exceed the balance of the Funds available for interfund borrowing.

The distribution of interest earnings to investment pool participants is based on the average daily balance in the pool and each fund's share. therefore, the monthly calculation by the State Controller's Office will automatically reflect the use of these temporary reallocations of balance authority.

Sincerely,

JAMES R. KLAUSER
Secretary

Referred to joint committee on **Finance**.

Funeral services will be held Friday for Horace Raymond George, a Milwaukee attorney and father of Senator Gary R. George (D-Milwaukee).

George, who had struggled against diabetes for decades, died Friday at St. Michael Hospital from a cerebral hemorrhage suffered in early January. He was 71.

George was born in Chicago and raised in Louisiana, coming of age during the Huey P. Long era in Long's hometown, Winfield. He loved to play basketball and he had a passion for reading, which he supported by working at a local drugstore to gain access to newspapers.

He studied economics at the University of Wisconsin-Madison, where he also attended school, graduating in 1950. He served as a judge advocated during the Korean War, and eventually settled in Milwaukee with his wife, Audrey.

George worked nights for the American Motor Co. while using his days to establish his practice. Over the years, he worked as a field attorney for the Department of Veterans Affairs, was active in local politics and was a special lecturer at the University of Wisconsin Law School. The school presented George with a recognition award in 1984.

A member of the Wisconsin, Illinois, Texas and District of Columbia bars, George was also admitted to practice before the U.S. Supreme Court

He was active in the Knights of Columbus, and the St. Thomas Moor Legal Society, and he served on Tax Appeals Commission, as well as on the boards of St. Anthony's Hospital and of the Wisconsin Center, formerly called MECCA. He was presented with a Positive Achiever Award by WNOV-AM's Carter-McGee Report in 1994.

George was keenly interested in Egyptian and African culture and history, and considered a journey he took to Egypt with his daughter in 1991 one of the highlights of his life.

Besides Audrey and Gary George, he is survived by sons Gregory and Mark, of Milwaukee; Michael, of Madison; and a daughter, Janice, of Milwaukee.

Visitation will be held from 4 to 8 p.m. Thursday at Schramka Funeral Homes, 7841 W. Appleton Ave., with services beginning at 10 a.m. Friday at St. Francis Catholic Church.
