Dear Chairman Duff,

Thank you for responding to our request for an executive session on Clearinghouse Rule 97-057. In your response you stated that you have until March 11 to schedule an executive session on this rule. There is no committee meeting currently scheduled between March 3 and March 11. We are requesting that Clearinghouse Rule 97-057 be included in the executive session already scheduled for March 3. The Environment Committee should not allow this rule to go into effect without committee consideration of concerns expressed at the public hearing.

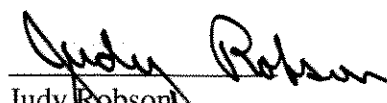

We appreciate your attention to this request and look forward to your reply.
