## CLEARINGHOUSE RULE 00-143

### Comments

**[NOTE: All citations to "Manual" in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated September 1998.]**

#### 2. Form, Style and Placement in Administrative Code

The department's analysis fails to summarize the content of the rule.

#### 4. Adequacy of References to Related Statutes, Rules and Forms

Consideration should be given to cross-referencing new s. DE 2.09 in s. DE 2.01 (1) (g) and (2) (b).

#### 5. Clarity, Grammar, Punctuation and Use of Plain Language

a. Neither the introductory clause nor the department's analysis indicates that the rule applies both to applicants for license as a dentist and to applicants for license as a dental hygienist.

b. In s. DE 2.09, first sentence, "shall" should precede "pay." In the second sentence, it appears that reference should be to the "second" reexamination, rather than the "third" reexamination to be consistent with the department's analysis. Further, in the second sentence, for consistency with s. DE 2.01 (1) (g), should "any part of" follow "on"? If that change is made, does the sentence then become inconsistent with s. DE 2.01 (2) (b)? Clarification is in order.

STATE OF WISCONSIN  
DENTISTRY EXAMINING BOARD

IN THE MATTER OF RULE-MAKING : PROPOSED ORDER OF THE  
PROCEEDINGS BEFORE THE : DENTISTRY EXAMINING BOARD  
DENTISTRY EXAMINING BOARD : ADOPTING RULES  
: (CLEARINGHOUSE RULE 00- )

PROPOSED ORDER

An order of the Dentistry Examining Board to amend DE 2.01 (1) (g); and to create DE 2.09, relating to a system of remediation for applicants who have failed the clinical and laboratory examinations more than three times.

Analysis prepared by the Department of Regulation and Licensing.

ANALYSIS

Statutes authorizing promulgation: ss. 15.08 (5) (b), 227.11 (2), 447.04 (1) (a) 6. and (2) (a) 6., Stats.

Statutes interpreted: s. 447.04 (1) (a) 6. and (2) (a) 6., Stats.

This proposed rule-making order of the Dentistry Examining Board creates s. DE 2.09, relating to a system of remediation for applicants who have failed the clinical and laboratory examinations more than three times.

Currently, there is no system of remediation in place for those dental applicants who have failed the clinical and laboratory examinations more than three times. In order to protect the health, safety, and welfare of the public, a system of remediation is necessary to ensure that applicants who have deficiencies obtain the necessary training and education before being able to take further examinations.

TEXT OF RULE

SECTION 1. DE 2.01 (1) (g) is amended to read:

DE 2.01 (1) (g) Verification from the central regional dental testing service or other board-approved testing services of successful completion of an examination in clinical and laboratory demonstrations taken within the 5-year period immediately preceding application. In this paragraph, "successful completion" means an applicant has passed all parts of the examination in no more than 3 attempts on any one part. ~~If an applicant fails to successfully complete the examination, he or she reverts to the status of a new applicant for examination in clinical and laboratory demonstrations.~~

If the applicant fails to achieve a passing grade on the ~~third~~ reexamination, the applicant may not be admitted to any further examination until the applicant reapplies for licensure and presents evidence satisfactory to the board of further professional training or education as the board may prescribe following its evaluation of the applicant's specific case.
