CITY OF SOUTH MILWAUKEE

Senator Richard A Grobschmidt
Room 104 South
State Capitol
P.O. Box 7882
Madison, WI 53707-7882

Dear Senator Grobschmidt,

I would like to take a moment to express our organizational support for the 1999 Senate Bill 2 (School District revenue cap exemption for school security measures). Chief Bauer brought the issue up for discussion at our January 26, 2000 monthly meeting of the Milwaukee County Law Enforcement Executives Association. A motion was made and unanimously passed to send a letter of support to your attention.

We would appreciate your leadership in bringing this issue before your Education Committee. We strongly feel that issues of school safety, including the funding necessary to continue School Resource Officer Programs, should be addressed separately from other funding issues that the School Districts struggle with. In this day and age, with the daily population of our schools being that of a "small city", every effort needs to be made to **ensure** the safety of our children and school employees and minimize the fear of crime. While this bill is more directly related to the School Districts, without a doubt, this bill impacts the services public safety can provide. Thank you for your efforts in this matter.

Sincerely,

Chief Bruce Resnick
President MCLEEA
