Senator Roger Breske, Chair
Senate Insurance, Tourism, Transportation
and Corrections Committee
18 South, State Capitol
Madison, WI 53707

Dear Senator Breske: *Roger*

I would like to bring your attention to five bills, Assembly Bills 54, 55, 56, 58 and 59, which have been referred to the Senate Insurance, Tourism, Transportation and Corrections Committee.

As you know, all five of these bills were introduced at the request of the Department of Transportation. Assembly Bill 54 makes the purchase of dealer plates by motor vehicle salvage pools optional. Assembly Bill 55 eliminates the mandatory revocation of a dealer license for misuse of dealer plates. Assembly Bill 56 equalizes the penalties for noncompliance with the Single State Insurance Registration System. Assembly Bill 58 eliminates the word "retail" in statutory references relating to motor vehicle auction dealer penalties and Assembly Bill 59 eliminates the three remaining statutory specified vehicle registration expiration dates.

During the public hearings on these bills, no one testified or registered in opposition. All of them were unanimously approved by the Assembly Transportation Committee and passed the Assembly on voice votes. Thus, I am respectfully requesting that Assembly Bills 54, 55, 56, 58 and 59 be scheduled for consideration by your committee. If you have questions regarding any of these bills, please let me know.

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in cursive script that reads "David".

SENATE TRANSPORTATION COMMITTEE

APRIL 14, 1999

Testimony, Carson P. Frazier

AB 56: equalizing penalties for non-compliance with SSRS:

- Wisconsin participates in the Single State Insurance Registration System (SSRS). Thirty-nine states participate in the program.
- SSRS is a base-state agreement, in which a motor carrier files proof of insurance with its home state, and pays permit fees for any state that the carrier will be operating in. The base state then transmits to all other states the permit fees due to each state.
- Thus, registering under SSRS assures all participating states that the carrier has filed insurance in the base state.
- Wisconsin must rely on compliance in another state to stand in place of requiring the carrier to file insurance in Wisconsin.
- In Wisconsin, motor carriers who operate intrastate (within Wisconsin only), and Wisconsin-based interstate motor carriers, must file proof of insurance with DMV. The penalty for non-compliance is \$500 to \$5,000.
- Law enforcement has requested a specific statute to clarify the penalty for an out-of-state carrier operating in Wisconsin who is not complying with SSRS in another state.
- This bill makes the penalty for not complying with the SSRS the same as the penalty for intrastate or Wisconsin-based interstate carrier not filing insurance in Wisconsin.
- The bill makes out-of-state carriers face as stiff penalties for not filing insurance under SSRS as Wisconsin carriers face if they do not file insurance in Wisconsin.
