Criminal Background

want hearing on AB 469

Concerns

liability
public safety

"substantially relates to circumstances of particular job
current law is open to interpretation
too nebulous

concern about safety of employees/co-workers
as well as public

Labor shortage is so acute that SS
doesn't think people w/ criminal backgrounds
will have problems

Primarily would affect front end hiring

SS will look at past case law +
experience

Taxes + Spending

Permanent tax cuts - y tax rates also
across-the-board permanent rate cuts
limits recruitment of management

support limiting state spending
increases to rate of personal y growth
or CPI, whichever is lower
Weichert, Zogelbauer

cut personal y forces \downarrow budget
surplus (measured at four different
points) kicks in a bigger mechanism

concern about state spending
