Wisconsin State Senator

September 27, 1999

Mr. Ira Sharenow
4817 Sheboygan Ave., #617
Madison, WI 53705

Dear Mr. Sharenow:

Enclosed please find the following material that you requested regarding the meeting of the Senate Committee on Human Services and Aging:

1. Hearing slips for SB 22;
2. Written materials submitted by David Remes, a representative of the tobacco companies, who testified against SB 22;
3. Hearing slips for SB 144;
4. Written testimony regarding SB 144 from persons registering as representatives of Wisconsin State Employees Local 1;
5. Two simple amendments to SB 115; and
6. A substitute amendment to SB 122.

Regarding your other requests:

The document referred to in SB 115 (Clinical Practice Guideline, No. 18, Smoking Cessation, published by the U.S. Department of Health and Family Services) is more than 125 pages. If you would like to inspect this document in our office, please make an appointment to do so.

You asked whether a number of treatments such as herb teas, natural medicine, massage, etc. would be included under SB 115. These treatments are not specified in SB 115, so it is my understanding that coverage for these treatments would not be required.

You also asked how much money coverage might cost and asked for an itemized list of costs for doctors' fees, medicine, lab tests and other costs. You also asked for averages, medians and a standard range that covers 99% of the cases in which a person chooses a method that requires payment of a fee.

 Printed on recycled paper.

There is no information in our files which provides this information. You might ask a local insurance company what they anticipate their costs would be if that company was required to provide the cessation treatment required by SB 115.

I hope you find this information helpful.

Sincerely,

A handwritten signature in cursive script that reads "David A. Austin".
