Subject: Budget Amendments

Steve -

Thanks for your assistance. To get the process started, following are three amendments Rep. Black would like drafted to the Republican amendment to the Special Session budget bill.

- Restore the Wage Lien language as approved by the Joint Committee on Finance
- Restore the Stewardship Bonding cut made by the republicans, to the level it was before their caucus
- Tying student financial aid to tuition, specifically the language contain in Rep. Black's bill AB 194

I will have another amendment coming, I am awaiting information to submit that to you. The Black office will be having more instructions on amendments coming as well.

If you have any questions regarding these three, please feel free to contact me.
