**Subject:** Budget Amendments plus a Resolution

Steve: Marlin has two budget amendments when you have a bill (Assembly preferably) to draft it to.

- 1) An amendment to eliminate the Single Sales Factor and use the revenue to provide an income tax exemption for Wisconsin's veterans who serve our country outside of the state.
- 2) The prohibition of the Department of Transportation from utilizing any law or promulgating any rule which installs a computer chip on any vehicle to track by miles (instead of gas used) which would then be billed at the end of the year to the vehicles owner.

Then he needs a separate Resolution calling for a Legislative Council study on the issue of "privacy".

Thanks!

## 2001 ASSEMBLY BILL 411

May 18, 2001 - Introduced by Representatives SCHNEIDER, MUSSER, KREUSER, GUNDERSON, TOWNSEND and PETROWSKI, cosponsored by Senator SCHULTZ, by request of John Ellingson. Referred to Committee on Veterans and Military Affairs. Referred to Joint survey committee on Tax Exemptions.

1 **AN ACT to create** 71.05 (6) (b) 34. and 71.07 (6m) (c) 4. of the statutes; **relating**  
2 **to:** creating an individual income tax exemption for military income received  
3 by certain members of the U.S. armed forces and sunseting the armed forces  
4 member tax credit.

---

### *Analysis by the Legislative Reference Bureau*

For taxable years beginning after December 31, 2000, this bill exempts from taxation all military income received from the federal government by an individual who is on active duty in the U.S. armed forces and who is stationed outside of this state.

Under current law, the armed forces member tax credit allows an active duty member of the U.S. armed forces to claim a nonrefundable individual income tax credit of up to \$200 in military income received each year from the federal government for services performed while the claimant is stationed outside of the United States. Because the credit is nonrefundable, no amount will be paid to the claimant by check if the credit he or she is due exceeds his or her tax liability.

Under this bill, no new claims may be made for the credit for taxable years that begin after December 31, 2000.

This bill will be referred to the joint survey committee on tax exemptions for a detailed analysis, which will be printed as an appendix to this bill.

ASSEMBLY BILL 411
