2001 ASSEMBLY BILL 384

AA - ASA1 - SB55

May 8, 2001 - Introduced by Representatives GRONEMUS, JESKEWITZ, RYBA, FREESE, POCAN, MISSER, ALBERS, HAHN and REYNOLDS, cosponsored by Senators SCHULTZ and GEORGE. Referred to Committee on Small Business and Consumer Affairs.

1 AN ACT to create 100.185 of the statutes; relating to: documentation of
2 agricultural credit transactions and granting rule-making authority.

Analysis by the Legislative Reference Bureau

With certain exceptions, the Wisconsin Consumer Act (consumer act) currently requires a person who extends credit to a consumer to give the consumer, before any payment is due, a copy of each document evidencing the consumer's obligation under the transaction. With limited exceptions, a transaction that is entered into primarily for an agricultural purpose (agricultural credit transaction) is exempt from the requirements of the consumer act.

This bill requires every document that is signed by a person and that evidences the person's obligation to pay under an agricultural credit transaction to be executed in duplicate original copies. The bill also requires the person that extends the agricultural credit to provide one of the duplicate original copies to the person that obtains the credit.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Item # 889, 1: after line: insert

SECTION 1. 100.185 of the statutes is created to read:
