Permissive and compulsory counterclaims in civil actions					

### Assumptions Used in Arriving at Fiscal Estimate

This bill would require a party to counterclaim any claim that the party has against the opposing party in a civil action if the claim arises out of the occurrence that is the subject of the opposing party's claim and the claim does not require the presence of a third party over whom the court cannot acquire jurisdiction.

This bill would have no significant impact upon circuit court operations since this is the general practice used in the circuit courts now.

### Long-Range Fiscal Implications
