Juvenile participation in progran	nming of a youth report center		

Assumptions Used in Arriving at Fiscal Estimate

This bill authorizes a court to order a juvenile to participate in the programming of a youth report center as a condition of a juvenile disposition, sanction, deferred prosecution agreement or consent decree.

It is known how many such youth report centers exist for courts to utilize but no fiscal impact upon state or local costs for operating the circuit courts is expected. Utilization of the dispositional alternative is permissive.
