<b>Subject</b> Various snowmobile changes		

### Assumptions Used in Arriving at Fiscal Estimate

Bill Summary: This bill consists of various changes to current laws governing the operation of snowmobiles, equipment on snowmobiles, snowmobile registration certificates, snowmobile derbies and races, and funding for snowmobile trail, safety, and enforcement costs. They are:

1. A requirement that \$10.00 of the \$12.25 trail use fee be used to provide supplemental funding for the maintenance of snowmobile trails.
2. Requires that any operation of a snowmobile on or adjacent to a roadway be done in observance of the posted roadway speed limits. Exceptions are made for authorized special events.
3. Exception from general reporting procedures is given to snowmobile accidents which occur during races or derbies.
4. Prohibits anyone from knowingly tampering with the hour meter or odometer of a snowmobile, ATV, or boat. Provisions are made for repairs to hour meters or odometers.
5. Requires that the DNR promulgate rules to establish requirements for testing noise levels on snowmobiles.
6. Allows law enforcement to operate a snowmobile equipped with either red and/or blue lights

#### Fiscal Estimate:

There are minimal costs associated with the implementation of these changes. They can be absorbed within the current budget appropriation.
