Assumptions Used in Arriving at Fiscal Estimate:

This bill amends 59.69 (5) (b), 59.69 (5) (e) 2 and 59.69 (5) (e) 6 of the statutes which relate to the type of notification for certain county zoning changes which are mailed to town clerks. Under current law, if a county board enacts a zoning ordinance, amends a zoning ordinance or enacts an ordinance relating to the location of boundaries of a zoning district in the county, the county clerk is required to notify town clerks of the changes by registered mail. Under this bill, all notifications currently made by registered mail must be sent by certified mail.

Local Impact

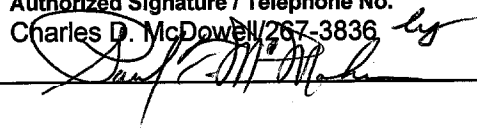

The current cost for registered mail is \$7.25 and for certified mail it is \$3.40. Counties would save \$3.85, or 46.9%, for each mail notification. It is not known how many mailings are done in each county.
