Assumptions Used in Arriving at Fiscal Estimate

This bill directs the department of administration to pay \$23,053.80 from its appropriation under 20.505(4)(d), a sum-sufficient GPR appropriation, to Jerome and Theresa Wagner as compensation for a loss sustained as a result of a dairy plant closing. The claimants assert that the department of agriculture, trade and consumer protection, did not properly monitor the financial condition of the plant as required by s. 100.06, Wis. Stats.

On March 6, 2000, the claims board recommended payment of \$23,053.80, an amount that represents one-third of claimants' actual loss.

There is sufficient expenditure authority to pay this claim within current claims board appropriation limits.

Long-Range Fiscal Implications

None.
