Subject Requiring headlamps to be lit when visibility is limited		

Assumptions Used in Arriving at Fiscal Estimate

Bill Summary:

This bill requires that when a vehicle is in use whenever it is raining, snowing, sleet, or hailing, or at any other time visibility is impaired by inclement weather, that the vehicle headlamps must also be in use. Exceptions are made for vehicles with automatically activated headlamps, and when exempted on authorized vehicles.

Fiscal Estimate:

There will be minor, immeasurable fiscal impacts on DNR law enforcement, as this will require additional time when a citation is issued. Due to the fact that law enforcement officers may not stop a vehicle solely to determine compliance with this statute, any citations issued would likely be in conjunction with others being issued at the same time.
