Subject Infesting animals; threatening to infect animals		

Assumptions Used in Arriving at Fiscal Estimate

Bill Summary: This bill makes it illegal to threaten to introduce a contagious or infectious disease into either livestock or the wild deer population.

Fiscal Estimate: It is expected that the number of incidents of this type will be very small, if not zero, on an average basis. As such, it's possible that there will be no state fiscal effect. If an incident does occur, the state fiscal effect is anticipated to be minor and can be absorbed within the current appropriation.
