Assumptions Used in Arriving at Fiscal Estimate:

This bill eliminates the requirement that the Department of Natural Resources (DNR) obtain the social security number for any person applying for a hunting or fishing license or for certain commercial licenses. It also eliminates the requirement that DNR deny a license to an individual who is liable for delinquent taxes.

The bill would reduce delinquent tax collections by an unknown amount. In FY00, delinquent collections from the Department of Revenue's occupational license program were approximately \$2 million, but the amount attributable to licenses issued by DNR is not known.

Long-Range Fiscal Implications:
