### Assumptions Used in Arriving at Fiscal Estimate

Bill Summary: This bill would change the time frame for comprehensive County Forest Land Use plans from the current 10 years to the proposed 15 years. These plans govern the overall management of each respective county forest and are referenced in s. 28.11(5)(a). Participation in the County Forest Law program requires adherence to this plan. In addition, grants and loans available to the County Forests through the Department require that the plan be followed.

Fiscal Estimate: No Impact

### Long-Range Fiscal Implications

The decreased frequency of having to develop the Comprehensive County Forest Land Use plans will have a positive financial impact over time. More time will be afforded to implementing the plan rather than developing it.
