Assumptions Used in Arriving at Fiscal Estimate

Bill Summary: This bill consolidates the boat, snowmobile and ATV operating under the influence statutes into one subchapter of the statutes. This bill also creates a consistency in the penalties and policies in statute for violating these laws, by using the motor vehicle statutes or one of the sport recreational vehicle statutes as a guide for the others. Other changes were made to address recent court decisions where the previous statutes had not been updated. This legislation is a recodification effort by the joint legislative council's special committee.

Fiscal Estimate: This bill would not impact Department or local government enforcement efforts, and therefore there is no state or local fiscal impact.
