SPEAKER'S APPOINTMENTS

May 29, 2002

The Honorable Patrick Fuller
Assembly Assistant Chief Clerk

Dear Assistant Clerk Fuller:

As Assembly Speaker, I have appointed Representative Martin Reynolds to the Assembly Committee on Urban and Local Affairs on the nomination of the Minority Leader in accordance with Assembly Rule 3 and 9. Representative Reynolds will temporarily replace Representative Sheldon Wasserman until further notice.

If you have any questions, please contact Adam Peer in my office.

Sincerely,
SCOTT R. JENSEN
Assembly Speaker

COMMUNICATIONS

May 29, 2002

Assembly Speaker Scott Jensen
211 West, State Capitol

Dear Mr. Speaker:

Representative Sheldon Wasserman has temporarily resigned from the Assembly Committee on Urban and Local Affairs. Pursuant to Assembly Rule 9, I am asking you to appoint Representative Martin Reynolds to temporarily replace Representative Wasserman on the Assembly Committee on Urban and Local Affairs.

Sincerely,
SPENCER BLACK
Assembly Minority Leader

REFERRAL OF AGENCY REPORTS

DATE: May 28, 2002

TO: Patrick E. Fuller
 Assembly Assistant Chief Clerk

Donald J. Schneider
 Senate Chief Clerk

FROM: Katherine C. Lyall
 President, University of Wisconsin System

SUBJECT: Report pursuant to s. [36.11 \(22\)\(b\)](#), Wis. Stats.

At its meeting April 5, 2002, the Board of Regents accepted the attached report for submission to the chief clerk of each house of the legislature for distribution to the appropriate standing committee under s. [13.172 \(3\)](#).

Section [36.11 \(22\) \(b\)](#), Wis. Stats., requires the Board of Regents to submit a report to the chief clerk of each house of the Legislature annually on the methods each UW System institution used to disseminate information to students on sexual assault and sexual harassment.

The law requires UW System institutions to incorporate into their orientation programs for newly entering students oral and written information on sexual assault and sexual

harassment, including information on: 1) sexual assault by acquaintances of the victims; 2) the legal definitions and penalties for sexual assault; 3) generally available national, state, and campus statistics on sexual assault; 4) the rights of victims; and 5) protective behaviors including methods of recognizing and avoiding sexual assault and sexual harassment. In addition, each institution must annually supply to all students enrolled in the institution printed material that includes information on all of these topics.

This law was enacted in April 1990 and this is the twelfth report to be compiled for the Legislature since its enactment.

If you need additional information regarding this report, please contact Louise Root-Robbins at 608-262-6831.

Referred to committee on **Colleges and Universities**.

Milwaukee Public Schools
 Department of Business Services
 Madison

May 29, 2002

To the Honorable, the Assembly:

According to Wisconsin School Law 121.87 and in accordance with Wis. Stats. 13.172, the Milwaukee Board of School Directors is required to submit the enclosed reports. School law 121.87 states “.....annually by May 1 the board of school directors of the school district operating under ch. 119 shall submit a report to the legislature under s.13.172(2) that specifies the number, percentage, race, sex, grade and attendance area of pupils transferred outside their attendance area without written consent under s. [121.85 \(6\)\(am\)](#).”

Enclosed you will find four (4) reports that meet the requirements stated above. The total number of intradistrict students bused under the Chapter [220](#) designation for the 2001-02 school year is 18,460, of that number, 3,237 or 16.2% either did not return a consent form (3,072) or checked box indicating no consent (165).

Report #1 Lists ethnic code breakdown by Grade Level for the 3,237 students. The ethnic code is as follows: Code 1= American Indian, Code 2= African American, Code 3= Asian, Code 4=Hispanic, Code 5=Caucasian, Code 6= other.

Report #2 Lists the ethnic code breakdown by School Attendance Area. Attached is a copy of our school site numbers and the elementary school they represent.

Report #3 Lists a male or female breakdown by Grade Level.

Report #4 Lists a male or female breakdown by Attendance Area.

Sincerely,
MICHAEL TURZA
 Director

Referred to committee on **Education**.

AGENCY REPORTS

State of Wisconsin
Legislative Audit Bureau
Madison

May 31, 2002

To the Honorable, the Legislature:

As required by s. 13.94(1)(em), Wis. Stats., we have completed our annual financial audit and biennial program evaluation of the Wisconsin Lottery, which is administered by the Department of Revenue. We have issued an unqualified opinion on the Wisconsin Lottery's fiscal year (FY) 1999-2000 and FY 2000-01 financial statements.

We also reviewed an incentive-based compensation program for retailers that the Wisconsin Lottery modeled after other states and implemented in January 2000. In addition to the basic commission rates, the Retailer Performance program provides up to an additional 1.0 percent of total sales as compensation to eligible retailers. The program, which provided \$3.9 million in retailer compensation in FY 2000-01, has three components: a sales incentive, winning ticket incentive, and short-term incentives for particular games or sets of games.

There is little evidence that the Retailer Performance program is effective in increasing either lottery sales or the number of retailers selling lottery tickets. Based on other states' experience, the program was projected to increase lottery

sales by \$24.9 million in the 1999-2001 biennium; instead, sales decreased by \$27.2 million. The number of retailers selling Wisconsin Lottery tickets has not increased since the program's implementation. However, because several factors influence ticket sales, it is difficult to determine whether the program mitigated larger declines in sales that would have otherwise occurred.

The Retailer Performance program has increased retailer compensation costs. Before the program was implemented, retailers earned approximately 5.9 percent of Wisconsin Lottery sales. In FY 2000-01, retailers earned 7.1 percent of sales, the highest rate among seven midwestern states. As costs for retailer compensation increase, the amount of lottery proceeds available for property tax relief decreases.

The Wisconsin Lottery plans to modify the Retailer Performance program in 2003 and will likely focus more on short-term incentives, which lottery staff believe have the greatest potential to affect sales. To increase the program's effectiveness and reduce its costs, we provide recommendations such as eliminating or reducing incentive payments when retailers' overall lottery sales decline.

We appreciate the courtesy and cooperation extended to us by the Department of Revenue. The Department's response is the appendix.

Respectfully submitted,
JANICE MUELLER
State Auditor
