HAND DELIVERED

Dear Senator George:

As you know, Senate Bill 378, relating to theft of farm-raised fish has been introduced by Senator Schultz and has been referred to your committee. Senator Schultz is a member of the Senate Environmental Resources Committee and would like the opportunity to have that committee review the legislation.

I would ask that, as a courtesy, you would allow Senate Bill 378 to be taken out of the Senate Judiciary, Consumer Affairs and Campaign Finance Reform Committee and be referred to the Senate Environmental Resources Committee. I appreciate your attention to this matter, and I look forward to hearing from you.

Sincerely,

JIM BAUMGART
State Senator
