RE: Clearinghouse Rule 01-062

The following Clearinghouse Rule was inadvertently referred to the Senate Committee on Universities, Housing, and Government Operations.

Clearinghouse Rule 01-062 relating to public safety and health. Submitted by the Department of Commerce.

The rule contains OSHA rules that were developed with the assistance of Senator Robson and the Senate Committee on Human Services).

Under Senate Rule 46 (2) (b), CHR 01-062 has been withdrawn from the Senate Committee on Universities, Housing & Government Operations and re-referred to the Senate Committee on Human Services & Aging.

Subject: Re. CHR 01-62

Senate Rule 46 (2)(b): Within three working days after the time of initial referral by the president under rule 4 (10), a proposed rule may, with consent of the chairperson of the standing committee, be withdrawn from the standing committee to which it is referred and rereferred to another standing committee.

The rule contains OSHA rules that were developed with the assistance of Senator Robson and the committee on Human Services. The proper referral therefore should have been that committee. Sorry for the inconvenience.
