Subject Tuition vouchers for students who sound Taps at funerals		

Assumptions Used in Arriving at Fiscal Estimate

This proposed bill authorizes a funeral director to issue a tuition voucher to an eligible student who plays taps on a bugle, trumpet or coronet during a military honors funeral for a deceased veteran in Wisconsin.

Under the bill, the department would create a tuition voucher form to be used by funeral directors and distribute the copies of the form along with an explanation of the form's use, to every operator of a funeral establishment located in this state. The department currently provides a form used by funeral directors to apply for the funeral stipend received by veterans service organizations that perform military funeral honors. The forms are created in-house and are available by accessing the departments website. It is assumed the proposed tuition voucher forms would be implemented in the same manner, at virtually no additional cost. As a result, the bill would have no fiscal effect on the department.
