**State of Wisconsin  
Department of Administration**

February 27, 2004

The Honorable, The Legislature:

This report is transmitted as required by sec. 20.002(11)(f) of the Wisconsin Statutes, (for distribution to the appropriate standing committees under sec. 13.172(3) Stats.), and confirms that the Department of Administration has found it necessary to exercise the "temporary reallocation of balances" authority provided by this section in order to meet payment responsibilities and cover resulting negative balances during the month of January 2004.

On January 20, 2004, the **Medical Assistance Trust Fund** cash balance closed at a negative \$42.2 million. The negative balance continued through January 31, 2004, when the fund's cash balance closed at its monthly low of a negative \$57.3 million. The negative balance was due to the difference in the timing of revenues and expenditures, and a delay in processing interfund transfers. On February 9, 2004, the fund's cash balance closed at a positive \$157.8 million.

On January 23, 2004, the **Historic Preservation Partnership Fund** cash balance closed at a negative \$35.0 thousand. The negative balance continued through January 31, 2004 when the fund's cash balance closed at its monthly low of a negative \$42.0 thousand. The negative balance was due to the startup of the fund and a difference in the timing of revenues and expenditures.

The Medical Assistance Trust Fund and the Historic Preservation Partnership Fund shortfalls were not in excess of the statutory interfund borrowing limitations and did not exceed the balances of the funds available for interfund borrowing.

The distribution of interest earnings to investment pool participants is based on the average daily balance in the pool and each fund's share. Therefore, the monthly calculation by the State Controller's Office will automatically reflect the use of these temporary reallocations of balance authority, and as a result, the funds requiring the use of the authority will effectively bear the interest cost.

Sincerely,

MARC J. MAROTTA  
Secretary

Referred to the joint committee on **Finance**.

**POINT OF ORDER**

FACTS

On Thursday, March 4, 2004, Senator Carpenter introduced Senate Amendment 1 to **Senate Bill 298**. Senator Welch raised a point of order that Senate Amendment 1 was not germane to **Senate Bill 298**. The Chair took the point of order under advisement.

RULING OF THE CHAIR

Senate Rule 50 (1) requires every amendment to a proposal to be germane to that proposal. Senate Rule 50 (6) (b) states that any amendment to a proposal that relates to a subject that is different from the subject of that proposal or that is intended to accomplish a purpose that is different from the purpose of that proposal is not germane. **Senate Bill 298** is remedial legislation relating to the scope of the Code of Ethics for Local Public Officials. Senate Amendment 1 relates to the duration of the sales tax that is financing Miller Park construction costs. It is the opinion of the chair that Senate Amendment 1 relates to a subject that is different from the subject of **Senate Bill 298** and that Senate Amendment 1 is intended to accomplish a purpose that is

different from the purpose of **Senate Bill 298**. As a result, Senate Amendment 1 is not germane to **Senate Bill 298**.

Senator Carpenter appealed the ruling of the Chair.

The question was: Shall the Decision of the chair stand as the judgement of the Senate?

The ayes and noes were required and the vote was: ayes, 18; noes, 15; absent or not voting, 0; as follows:
