## Assumptions Used in Arriving at Fiscal Estimate

There are no data by which to estimate the number of additional cases that would be referred to district attorneys offices by law enforcement were this bill to be enacted. However, it is likely that there would be a number of such cases given the wide range of possibilities it would criminalize.

## **Long-Range Fiscal Implications**

The actual impact upon DA offices' workloads if this bill is enacted should be monitored to determine if additional prosecutorial resources would be needed.
