Assumptions Used in Arriving at Fiscal Estimate

This bill specifies that it is a violation of employment law for an employer to require an employee to solicit customers to apply for issuance of a credit card or other credit confirmation or identification. Complaints would be processed in the same manner as complaints under the Fair Employment Law (ss.111.39).

The Equal Rights Division of the Department of Workforce Development anticipates it will receive less than ten cases per year that allege a violation of this law. Passage of this legislation would therefore have no significant impact on the workload of the division.

Informational brochures on the law that are published by the Equal Rights Division will need to be reprinted at a base cost of \$2,000 GPR. This cost will be absorbed by the agency.

Long-Range Fiscal Implications

This bill has no long term fiscal implications.
