Assumptions Used in Arriving at Fiscal Estimate

If enacted, this bill would place restrictions on local governments to pass or enforce an ordinance that would prohibit a "direct farm marketer" from placing signs at a sale location. Certain size and placement restrictions could be enforced under this bill.

This bill has no state fiscal effect, while the local effect is indeterminate. It is not possible to estimate how many political jurisdictions have in place or would pass such ordinances in the future. The number of direct farm marketers would also vary significantly among localities. Consequently, it is not possible to estimate the cost of this bill.
