<b>Description</b> Prohibiting local governmental restrictions on certain business signs			

### Assumptions Used in Arriving at Fiscal Estimate

1. Assume there is no fiscal effect at the state level.
2. Assume it is impossible to estimate the number of local governmental units currently having such ordinances in place or how many will enact such ordinances. The number of direct farm marketers is also unknown and likely varies greatly among the thousands of municipalities in the state. Therefore, the local fiscal effect of the bill is indeterminate.

### Long-Range Fiscal Implications

No fiscal implications at the state level. The implications at the local level are indeterminate.
