Description Adjusting prison sentences for misdemeanors		

Assumptions Used in Arriving at Fiscal Estimate

Though the DA's Office may be required to participate in a court's review of a request for a sentence adjustment, the number of times this may occur as a result of this bill is not expected to be significant. It is anticipated that this added workload could be absorbed in the current workforce. No fiscal effect is anticipated if this bill is passed.

Long-Range Fiscal Implications

If a significant number of prisoners request a sentence adjustment as a result of this bill, it could have a long-range fiscal effect if this bill is passed. It would be valuable to review the data in the future.
