Fiscal Estimate Narratives

Description Authorizing cities, villages, towns, and counties to solicit bids for certain contracts by using the Internet		

Assumptions Used in Arriving at Fiscal Estimate

If enacted this bill would allow certain political subdivisions to bypass posting bid solicitations in newspapers in favor of posting the bid notices on the political subdivision's website.

The department does not collect information on the number or value of such bid notices, nor is it possible to anticipate how many political subdivisions would avail themselves of the alternatives authorized under the bill.

Long-Range Fiscal Implications

Unknown.
